

APPRENTICESHIP STANDARDS ASSESSMENT AND SOLUTIONS

LEADER IN ADULT CARE

- LEVEL 5
- 18 MONTH PROGRAMME

CARE SECTOR

OVERVIEW

A Leader in Adult Care has responsibility for managing community or residential based services. This role has a large element of leadership, whether with other care workers and networks or in leading the service itself. A successful apprentice will have met all the requirements. They have a responsibility to ensure the service is safe, effective, caring, responsive to people's needs and well-led. They may be a registered manager of a service, unit, deputy or assistant manager. They will be responsible for ensuring regulatory compliance of the care given and the values and training of staff with established standards and regulations.

ROLE PROFILE

The Leader in Adult Care will guide and inspire teams to make positive differences to someone's life when they are faced with physical, practical, social, emotional, psychological or intellectual challenges.

They will be a leader of the care team and will develop and implement a values-based culture at a service or unit level.

They may be responsible for business development, financial control, organisational resilience and continuity as well as for managing risk and leading on organisational change.

YOUR APPRENTICES' LEARNING JOURNEY

The apprenticeship learning journey for this programme is typically 18 months. The journey will include a Level 5 Diploma in Leadership and Management for Adult Care (available from iCQ) and achievement of Level 2 Literacy and Numeracy.

On completion of their learning journey, apprentices will undertake an End-Point Assessment, with an independent iCQ assessor.

Throughout their journey, your apprentices will record and update their progress using iCQ's **iLearner** system, and their End-Point Assessment will be delivered using **iLearner**.
