

## Facilities Management Supervisor

This occupation is found in small and medium enterprises, large and multinational organisations in private and public sectors. For example: housing, health, social care, energy, hospitality, education, commercial properties, leisure, and retail. It is found in organisations where the management of multi-disciplinary activities, within the built environment, impact upon people and the workplace.

At a corporate level, facilities management contributes to the delivery of strategic and operational objectives. On a day-to-day level, effective facilities management activities are vital to the performance and success of any organisation, whatever its size and scope.

You can see more information about the apprenticeship standard at [Skills England](#).

months minimum\*

### Assessment methods

1

#### Project report with presentation

The observation and professional dialogue will last for 1 hour and 45 minutes, consisting of 1 hour lesson observation and 45 minutes of professional dialogue. The professional dialogue will cover, wellbeing and information, advice and guidance, learner support, planning, teaching and learner progress.

2

#### Professional discussion

A 30 minute structured discussion between apprentice and an iCQ assessor underpinned by a portfolio of evidence, covering health, safety and safe working practice, continuous improvement, the facilities management function, EDI, wellbeing and CPD.

Gateway

End-Point Assessment

## The EPA Process

### **Gateway meeting:**

training provider, employer and apprentice meet to determine if they are ready for their EPA, and submit any files as needed through the iLearner system.

### **Assessor meeting:**

the employer and an iCQ Assessor meet to agree any evidence submitted by the apprentice and plan dates for assessments.

### **Learner preparation:**

the employer and training provider make sure the learner is familiar with the iLearner tools and formats of their assessments.

**End-Point Assessment** is carried out by iCQ Assessor.
