Invoicing

Invoices for Apprenticeship Registrations, End-Point Assessments and Resit fees are generated on the last day of each calendar month and issued on the first day of the following calendar month.

End-Point Assessments are invoiced in the month in which the Planning Meeting is scheduled.

iCQ payment terms are 30 days.

Remote and Face-to-Face assessment options

All components of End-Point Assessment must be delivered remotely for the Remote price to be applicable.

AAS send apprentices' End-Point Assessment certificates to their employer.

Qualification certificates are issued by iCQ, where applicable.

Replacement certificate requests will be processed for a fee of £20.00.
